

G0352

CABINET FOR 2 MODULES

when communication is **critical**

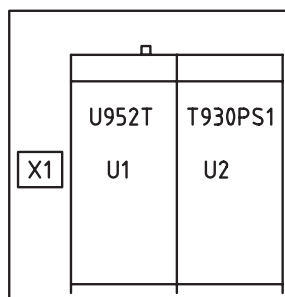

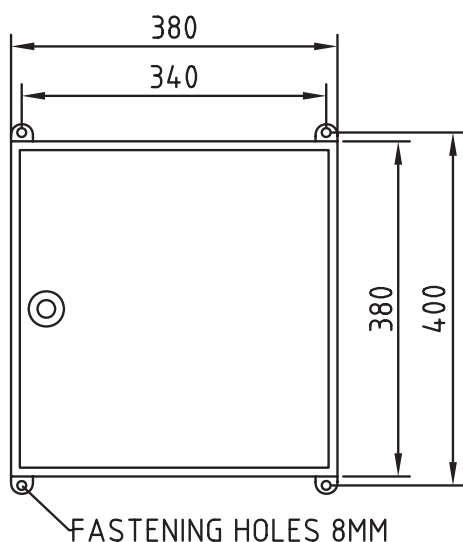

FEATURES

- **Sub - cabinet in a larger paging system**
- **It is well suited when you need an extra transmitter module to have full coverage throughout the vessel**
- **If even more transmitter modules are needed to have full coverage just add as many G0352 cabinets as needed**
- **A central unit module is always needed in the main paging central cabinet**
- **One module can be fitted inside except for the power supply**
