June 2, 2009 – 08:00**

Brussels, 2 June 2009

Zenitel Group announces the successful closing of the transaction, regarding the sale of Zenitel Belgium and Zenitel Wireless France

Further to its press release of 6 April 2009, Zenitel Group announces the successful closing of the transaction, regarding the sale of 85% of the shares of Zenitel Belgium NV and the activities of Zenitel Wireless France SA. The closing occurred entirely within the framework of the signed agreement of April 3, 2009.

The sale has been performed to a group of experienced executives headed by Alain Van den Broeck.

The new entity will offer mission critical wireless solutions under the brand names of Zenitel Belgium and SAIT.

Alain Van den Broeck will become the new Chief Executive Officer of Zenitel Belgium NV.

Eric Van Zele together and Jan De Schepper will serve on the board of the company.

[ABOUT ZENITEL](#) is a leading player in instant audio and data communication. Communication products, communication networks and system integration services that are so reliable, so fast and so secure, they are also used as critical communication tools at a time of crisis. Zenitel communication is the preferred choice for those in authority or whose work involves protecting human lives or managing vital activities. Zenitel is organized into three regions, each of which has a focus on, but is not exclusively dedicated to, one of Zenitel's key principle offerings: own Intercom products, System Integration services and Network Services.

Zenitel is a listed company (Euronext). The headquarters of Zenitel are in Brussels. For more information: www.zenitel.com
