These differences do not affect hearing protection figures and thus the certificates **12151RHS01 (25.05.2012)** and test report **186886T01 (02.05.2012)** are valid. These documents declare compliance with Directive **89/686/EEC** as defined in **EN 352-1:2002** and **EN 352-6:2002**.
