## Description

The TAX-3 EX Approved Industrial Handset for Exigo and Turbine EX intercoms is a rugged, high quality handset designed for industrial and military use. The slim profile offers ease-of-use in hard-hat areas as it slips under helmets and/or hearing protection.

The TAX-3 offers a side-mounted PTT for simplex operation in extremely noisy environments. Used with Exigo & Turbine Ex intercom stations, the active noise-reduction features offer superlative audio quality and intelligibility. A hanger is included with the delivery.
