Specifications

FEATURES

Natural Full HD 3D images	Get sucked into the action in Full HD thanks to Active Shutter technology
Two-player gaming with separate big screen views	When you and a friend both put on 3D glasses, SimulView gives you independent views of the same nail-biting PS3 SimulView games
Keep your glasses on	A comfortable design means they can be worn over your day-to- day glasses
Stay connected	The glasses sync with your TV using a radio frequency signal, for uninterrupted 3D viewing
Light and relaxed	Each pair of 3D glasses is adjustable and lightweight so they're comfortable to wear during long movies
