UHO-IP

Indoor IP Camera, Aluminium, 720p

IP66

Description

The UHO camera housings are smartly styled enclosures that enable you to use the DINION family of cameras in an outdoor environment or in areas where the cameras need to be protected. Models are available for use with 24 VAC, 120 VAC, and 230 VAC power supplies. Depending on the version, they can be used with 12 VDC, 24 VAC, 120 VAC, and 230 VAC cameras.
