BSWT-6T

On-wall speaker, 100V, IP65, 6W

✓ Please note that this product has been replaced by Item Number: 2131000151

Description

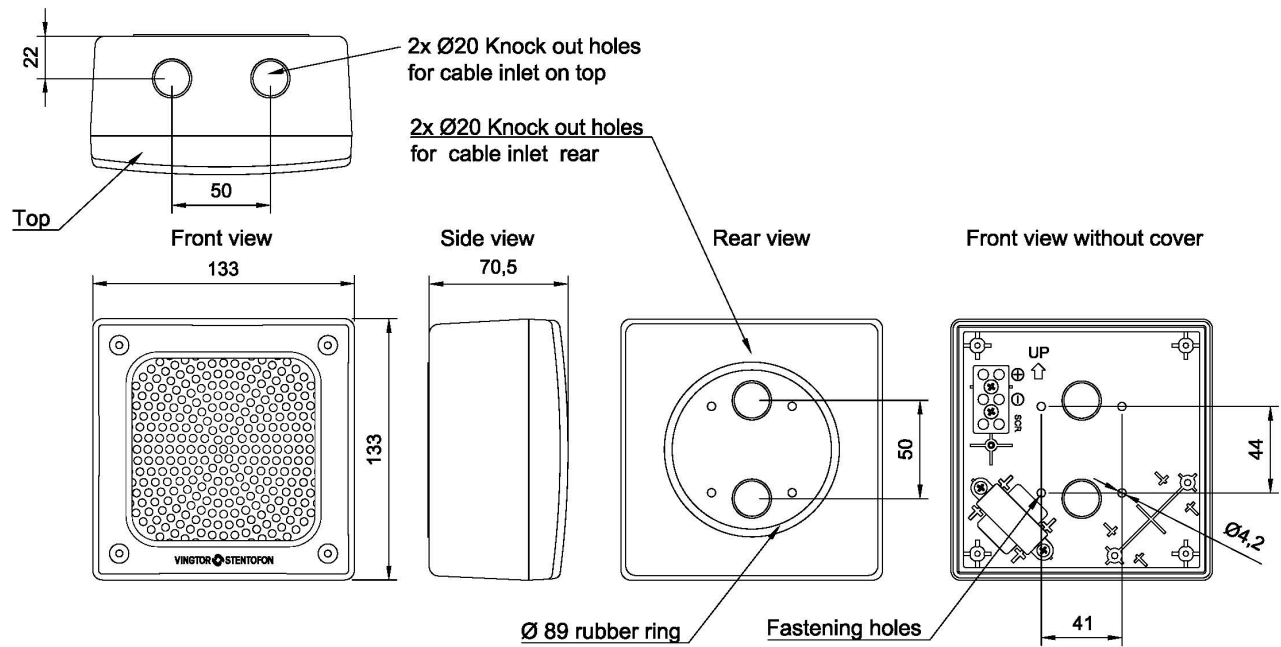

- ✓ Made for marine environment
- ✓ Good audio quality
- ✓ Corrosion-free plastic enclosure
- ✓ Cable entry in the bottom or from the back
- ✓ An integrated gasket enables watertight mounting without cable glands when using the rear cable entry
- ✓ Adjustable power tapping to accommodate separate room sizes
- ✓ Supports loop wiring with double cable entries
- ✓ Includes thermal fuse, ceramic terminals and transformer for 100V lines

The Vingtor-Stentofon on-wall watertight speaker BSWT-6T is made for demanding environments. The speaker is well suited for marine usage with water ingress protection from all sides.

Using both cable entries facilitates loop-wiring and reduces the need for costly junction boxes.
