DA 10-260/T-EN54

EN54 projector speaker 10 watt

- Bi-directional
- Vandal-proof
- Aluminium housing

Description

Bi-directional speaker for voice alarm applications, certified according to EN 54-24, suitable for voice announcements and background music with excellent sound quality in buildings.

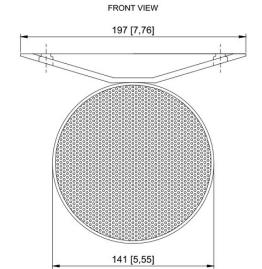

The 10W powered speaker is equipped with two 130mm full-range loudspeakers and a 100V line transformer with 4 power adjustments. A robust powder coated aluminum housing in RAL 9010, and a vandal-resistant feet ensure a permanent installation of this speaker. For additional reliability, a 2 pin-ceramic block and a thermal fuse is provided and the speaker chassis is impregnated against wetness.

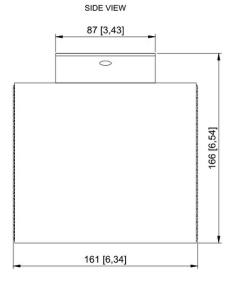

The speaker is also secured with the high protection class IP 65 against the risks of environmental influences.

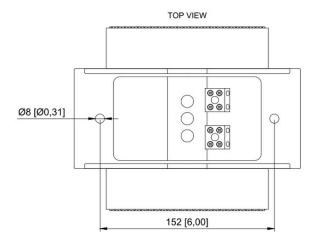

Perfectly suitable for the installation in corridors and hallways.
