DECT Repeater

DECT repeater 4-ch, multi-cell wo/ power supply

Description

- Certified for use under Marine EMC requirements
- Wireless – no cabling needed
- Create coverage in a remote area
- Expand coverage in a single cell solution
- Increase coverage in hot spot areas
- Can be used with all KWS Servers
- Max 3 Repeaters per Base Station
- External power supply required

The DECT Repeater provides a larger geographical spread of the traffic channels and increases the coverage area.
