**HW540**

Light mono headset

---

## Description

- ✓ Choice of three comfortable and easily switchable wearing styles (over-the-ear, over-the-head or behind-the-neck) to serve the breadth of user preferences
- ✓ Elegant, super-lightweight, robust design and soft audio-optimized ear cushion provide all-day comfort
- ✓ Next-generation custom microphone reduces background noise and interference, ensuring fewer missed words and a better caller experience
- ✓ Visual boom position guide makes it easy to establish optimum mic placement
- ✓ Tuned wideband audio delivers richer, clearer conversations while SoundGuard technology protects users' hearing and listening fatigue
- ✓ Adapter for headset HW540 to 2,5mm jack - Included.
