CP-66T

Loudspeaker Wall-Mount Double Faces 6W

Onboard communication

Description

- ✓ Double faced loudspeaker w/ transformer for accommodations area
- ✓ Ideal for P.A. intercom and background music
- ✓ To be used together with 70/100V line amplifier

The CP-66T is a general purpose loudspeaker to be used on 70/100 V lines. The loudspeaker is bi-directional and disperses audio in both directions. This feature makes this speaker very well suited for corridors and other applications where audio has to be evenly distributed.

Technical Dimensions

Remove the lid by pressing the two clips on each side of the loudspeaker.
