IP54

Onboard communication

Description

The P-9029 headset brings hearing protection and communication in noisy environments into a new level of performance with newly designed speakers and microphone.

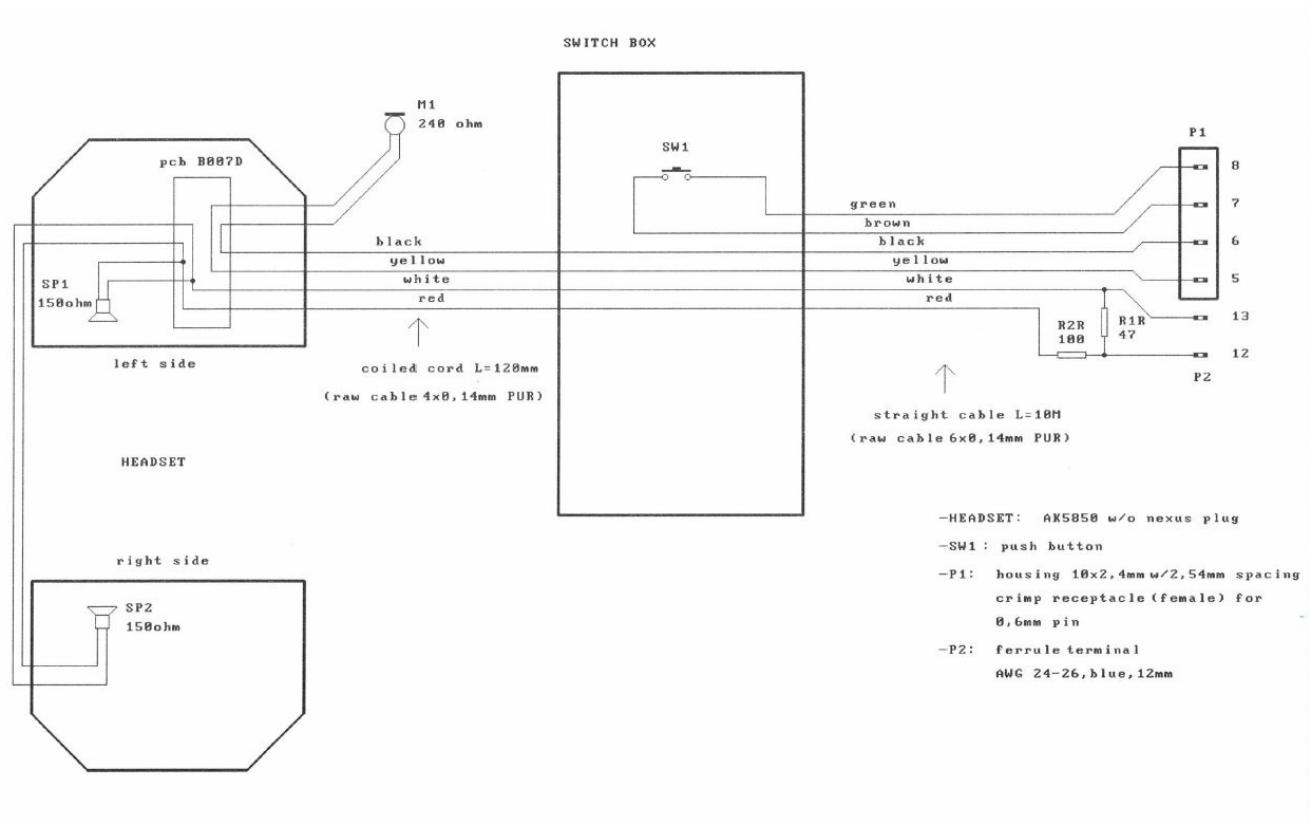

The dual cup give a modern and slim look and is specially designed to provide excellent noise attenuation.

Applications

The P-9029 headset can enhance communication in noisy environments and other workplaces, where the workers need to be connected to their 2-way handheld or fixed systems throughout the day to help facilitate frequent contacts with co-workers.

Technical Dimensions

Specifications
