SPA-W1-V2

Weatherproof PA Panel

IP66

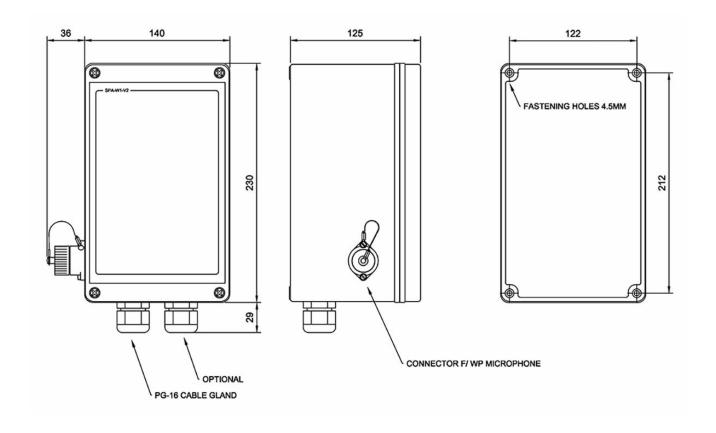

Description

- Weatherproof PA panel for single system
- Built-in pre-amplifier with preset signal level and tone controls
- Requires microphone with PTT
- Plug for WP handheld microphone P-66 or P-66/10
- Wall mounting outdoor / Indoor
- Local mute contact for external loudspeaker (from hardware version 4.0)

This waterproof panel gives All Call Message in a SPA-V2 public address and general alarm single system. Local mute function is used to break audio to loudspeakers where proximity to pa panel cause feedback.
