Door handle with push-button for CABxx

- Fits on CABxx Cabinets

Description

Thanks to its folding action, this door handle does not take up any swing space, thus maximizing the door surface area available for installed equipment. Simple assembly, thanks to the snap-mounted handle system. Prepared for the installation of semi-cylinders with a total length of 40 or 45 mm (to DIN 18 252).

This door handle fits on cabinets from the CABxx range. It comes with a push-button insert for installation in the comfort handle so there is no need for carrying a key.
