- Front door: Glazed door
- Front door handle: CAB-DH-K
- Rear door: Steel doors
- Rear door handle: CAB-DH-K
- Including 4x eyebolts for crane transportation
- The door hinged on the right, may be swapped to the left
- Base/plinth not included, can be ordered separately

Description

Our all-new series of multi-use cabinets are designed to be used in a marine environment. This floor-mounted 24HU cabinet is perfect for installing our 19" system components to create a complete system for your installation.

The cabinet comes with a front glazed door that is hinged on the right, and it can be swapped to the left if needed. The rear side features a single metal door. Cabinet variant 24HU, 800mm wide and 1000mm deep. Internal 19-inch fixed frame for up to 24 HU.

Multi-part roof plate with cable entry on both sides via brush strips over the whole enclosure depth. The roof incorporates a concealed cut-out to accommodate a CAB-AVT-W-115-230 fan unit for active ventilation. The cover plate can be raised on spacer pillars to support passive ventilation if required.

This floor-mounted 24HU cabinet is suitable for:

- ACM Advanced modules
- SPA-V2 Public Address
- EXIGO Public Address
