Description

The Vandal Resistant Intercom Station VR3G-1P utilizes the latest technology to create unparalleled audio quality. Some of the many features include: HD voice quality, Open Duplex, Active Noise Cancellation, and an Electret Omni Directional microphone. The *Piezo* button has no moving parts, which makes it highly durable and increases the station's resistance to damage. These features, in conjunction with the company's 70+ years of experience with acoustic technology, are just a few of the many factors that contribute to our superior audio quality.
