EX headset for RESISTTEL

Receiver set

- Ingress protection IP54
- Protection type Ex Headset: II 1G Ex ia IIC T4 Ga
- Ex Headset with approx. 15 m connection cable

Atex

Description

The intrinsically safe EX headset for RESISTTEL is used for connection to the explosion-proof telephone ExResistTel. It may be connected to the ExResistTel to improve communication in noisy environments, protect the user from harmful environmental noise, and enable telephone calls while carrying out tasks that require the use of both hands.

The EX headset for RESISTTEL includes mounting brackets as well as the required screws and cable glands for an installation at the telephone.
