ITCS-C8

Sauna Calling Unit

- ✓ Call unit for sauna
- ✓ Wooden construction
- ✓ Wooden handle
- ✓ Bulkhead mounting

Description

The ITCS-C8 is a dedicated call unit for saunas, designed for bulkhead mounting. It features a wooden construction with a wooden handle, ensuring durability and heat resistance in high-temperature environments.

- ✓ Simple and reliable – Designed for easy call activation in sauna areas.
- ✓ Wooden design – Heat-resistant materials suitable for demanding conditions.
- ✓ Bulkhead mounting – Secure installation for seamless operation.

Ideal for integration into onboard or facility communication systems, the ITCS-C8 provides a safe and effective way to request assistance from sauna areas.
