CLMQ-200T-MED

6" Ceiling Speaker 100V, 6W, fire dome, high quality sound

- ✓ MED approved
- ✓ Metal fire dome
- ✓ High quality sound

⚙ **MED Certification**

Description

This 6" ceiling speaker delivers high quality sound with a flat frequency response curve making it highly suitable for distribution of background music, announcements and voice messages with a high level of intelligibility.

The speaker is easily mounted with two spring clamps and there are no screws in the front giving the speaker a discreet and elegant appearance.
