UPS-P91-BP36

External Battery Module for UPS-P91-1500

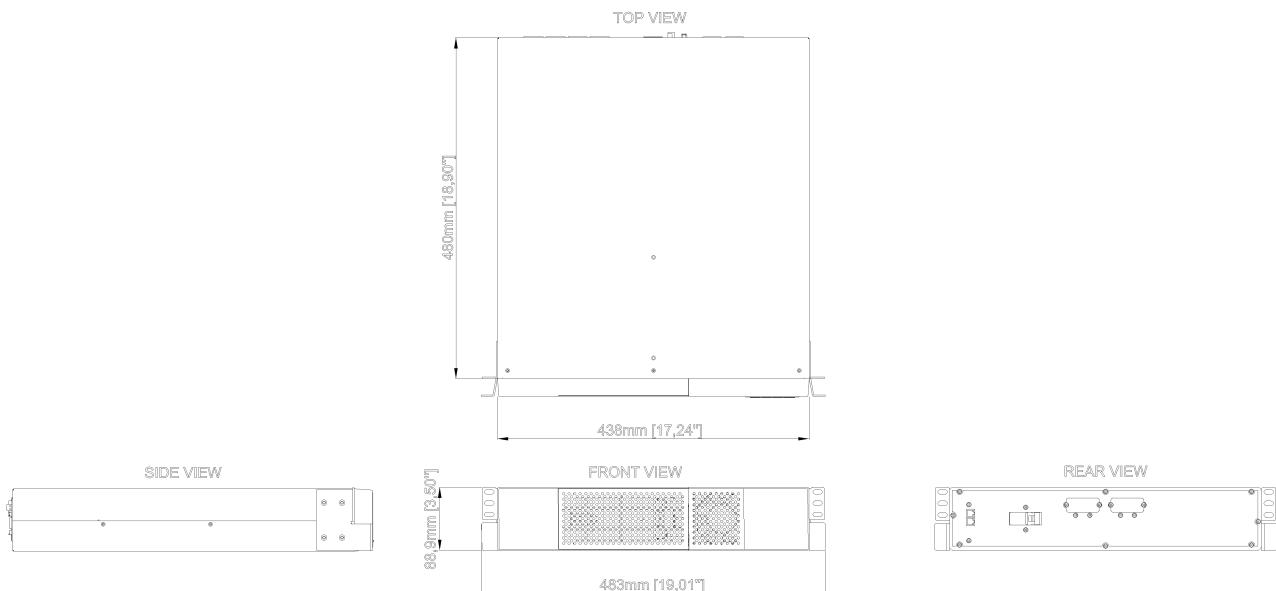

- ✓ Compatible with UPS-P91-1500 unit
- ✓ Modular, hot-swappable design for easy maintenance
- ✓ Convertible rack/tower installation

Description

EBM modules are essential on maritime vessels, offshore platforms, and energy facilities where continuous power to critical communication and control systems is vital. They extend UPS runtime for equipment such as PA/GA, intercom, IP telephony, navigation consoles, monitoring systems, and safety infrastructure.
