To: All BU Safety & Security Offices

March 2025

Introducing the New ZDD-1 and ZSD-1 Intercoms

Zenitel is excited to announce the launch of two new high-performance door video intercoms. Combining **crystal-clear audio** with **high-definition video**, these intercoms ensure seamless communication and reliable security.

- **ZDD-1** - Featuring a sleek design focused on optimal audio quality, the ZDD-1 is ideal for modern installations where both aesthetics and functionality are key.
- **ZSD-1** - Designed for easy mounting on narrow surfaces, such as door mullions, the ZSD-1 ensures flexible installation without compromising security or audio quality.

Both intercoms deliver **robust durability, secure communication, and seamless system integration**, making them the perfect choice for any door entry application.
