## Updated Zenitel Safety and Security Price List

---

To: All Zenitel Offices & Partners

March 2026

Dear partner,

Zenitel will implement an updated price list for the Safety and Security Business Unit, effective **1 July 2026**.

This adjustment is driven by several ongoing market factors, including:

- Continued supply constraints affecting key components, particularly system memory
- Increases in global logistics and operating costs.

Please review the updated price list and share it with the relevant teams in your organisation
